SCCA Sanction Number: 20-R-8252, 20-M-8251

IV. SAFETY and TECH INSPECTION

You are encouraged to complete your Annual Tech Inspection before coming to the track. Tech inspectors will conduct Annual Tech Inspections at your paddock area during the event by appointment, only. Please contact Patrick Jones at boilerrat19@yahoo.com to arrange an appointment for annual tech.

- A. To minimize person to person contact, tech stickers will be issued on the grid prior to the first practice session of the day. Please bring your logbooks to the grid for the tech inspector to review and sign. Signed logbooks will be available after the session at the base of the tower.
- B. No smoking or engines running in Tech garage.
- C. Be sure all information is current and correct on your logbook, tech sticker, and racecar.
- D. Any car involved in an accident or metal-to-metal contact with another car will be given instructions by an official.
- E. Signaling at the pit wall is under permission and direction of the safety steward. When allowed, only one person per car will be allowed at the wall for signaling purposes only. That person MUST wear eye protection.
- F. Road Racing Sound will be conducted consistent with the GCR. Readings will be posted in the workers' and racers' lounge.

V. IMPOUND

- A. **There will be no Drivers' Meeting. The Chief Steward will be available outside the Control Tower or at the Black Flag station at the conclusion of each Saturday Qualifying Session.**
- B. Drivers may request a Split Start after the Saturday Qualifying Session. The Chief Steward will approve a Split Start only if the majority of drivers in a session are in favor.
- C. The top three finishers in each class must report to IMPOUND at the end of each Race for post race inspection per the pre-approved tech plan.

VI. Contact

- A. If a driver is involved in significant body contact, the driver and car shall stop at the **Black Flag Station** for review of the incident by the stewards before going to their paddock area. "Significant body contact" includes but is not limited to: contact resulting in 2 or 4 wheels off course, spins, loss of position, or repairs to suspension or bodywork.
- B. Other on track incidents or rule infractions, including a reported pass under yellow flag may also be investigated at the discretion of the Chief Steward or Operating Steward. Drivers are encouraged to proactively report to the Chief Steward (at Black Flag Station) with their car following a session in which such incidents occurred to expedite the investigation process.
- C. Drivers must stop at the Black Flag station if directed to do so and may be asked to report to the Tech area on exiting the track.
- D. If a driver instructed to report to the Chief Steward fails to do so, they may be penalized, including loss of qualifying position.
- E. Further action toward a driver will be under the provisions of the 2020 GCR, 2020 Penalty Guidelines, and these Supplemental Regulations.

This policy must specifically state inclusion of the use of UASs. And finally this policy must have \$10M of primary coverage.

X. ROAD RACING RULES of The ROAD

- A. There may be a Pit Marshal at pit exit with a "stop-go" sign to control cars entering the track. Failure to heed the Pit Marshal's instructions may result in a "stop and go" or other penalty at the discretion of the Chief Steward.
- B. Drivers will be held accountable for their pit lane speed defined as: a safe and prudent speed at the discretion of the Chief Steward.
- C. Cars entering pit lane must come to a complete stop no later than the black flag station before re-entering the track. Failure to stop in pit lane during qualifying may result in loss of time, in a race may result in a stop-and-go penalty.
- D. There is curbing and artificial markers separating pit entrance/exit and the racing surface. It is out of bounds to encroach on this area. Crossing the markings may result in a penalty.
- E. Saturday's race will be gridded based on Saturday's qualifying times. Sunday's first race will be gridded based on Saturday's fastest time either qualifying times or Saturday's race times. Sunday's second race will be gridded based on the fastest qualifying or race lap of the weekend, excluding practice sessions. Cars arriving to grid before a previous session has gone on track, will be required to stage driver's left, making a line along the storage pumps and along the entrance road between Garage 1 and the karting track.

XI. OTHER ROAD RACING PROVISIONS

- A. The Chief Steward and Stewards of the Meet reserve the right to combine or split race groups and to modify the schedule and/or length of sessions as may be required. .
- B. Sound readings will be posted at Tech. Participants are encouraged to comply with the sound limit specified in the GCR 5.7.3 which is 103dB. Per that same GCR section, for this event, the maximum sound limit allowable will be 107dB. Cars exceeding 107dB in a session will be shown the closed black flag and the "sound" board for their first two readings. If a third reading greater than 107 dB is recorded in that session, the car will be black flagged and must report to the pits. The car may not return to the track until corrective steps have been taken per GCR section 5.7.2.**
