

2021 SWRRC Rules

The purpose of the Southwest Road Racing Championship (SWRRC) Series is to provide and organize a Southwest Divisional Race Series for all competition licensed drivers of the Southwest Division of SCCA (SowDiv). The SWRRC points races will include all races that are within the Southwest Division and the SCCA Southern Conference unless designated as a non-point race by the host Region.

1. Driver Eligibility:

A. All SCCA licensed drivers with a region of record being one of the nine regions within Southwest Division of the SCCA including SowDiv Novice permit holders with completed school requirements.

B. Drivers must **finish** a minimum of four (4) SWRRC races during the championship season to be considered in the Championship standings. No exceptions will be made.

C. Drivers must maintain a SowDiv Region as their Region-of-Record at the time Championship points are earned.

2. Class Eligibility:

All SCCA Runoff Eligible Class and SCCA Regional Class cars, recognized by SowDiv SCCA, are eligible for the SWRRC Series.

3. Points:

Points will be awarded on the following basis for each race: 1st-25, 2nd-21, 3rd-18, 4th-17, 5th-16, 6th-15, 7th-14, 8th-13, 9th-12, 10th-11, 11th-10, 12th-9, 13th-8, 14th-7, 15th-6, 16th-5, 17th-4, 18th-3, 19th-2, 20th and below-1. Must complete at least half (1/2) of the full race distance to qualify for SWRRC points.

Points will be awarded based on a driver's actual finishing position in-class in all designated points races except at SowDiv Super Tour races where the SWRRC points will be awarded based on the driver's finishing position against other SowDiv drivers only.

All Southwest Division and Southern Conference Regionals, Restricted Regionals, Majors and Super Tour races that are run under SCCA Sanctions in the Southwest Division will be eligible for SWRRC points at the election of the Region or the Division/Conference. Only those races declared as SWRRC races will count for SWRRC points.

The final race of each SWRRC racing season will be a Double Points SWRRC race.

The SWRRC points report will be maintained at the Division level and the SWRRC is the only racing championship sponsored by the SCCA Southwest Division.

4. SWRRC Season:

Each SWRRC race season will start with the first SWRRC race scheduled after the season ending SWRRC Double Points Race. The final SWRRC Double Points Race of each year will be held prior to the National Runoffs of each year at a Track and Date agreed upon by the racing regions.

Year-end total points for championship: Drivers count their seven (7) best points races of the regular championship-series season plus the year end SWRR Championship Double Points race. A maximum total of eight (8) races will be counted for each class championship by each driver.

In the event of a tie for any position within the divisional championship, the tie breaker will be the driver with the most class wins during the championship season. If a second tie breaker is needed, this will be the driver with the most 2nd place finishes in the championship season.

4. Championship Awards:

SowDiv will provide year-end awards to the eligible drivers finishing 1st, 2nd and 3rd in the year-end points for each class. Each 1st Place driver in-class will be awarded a Champions Jacket or equivalent.

5. National Runoffs via Division Points:

To be eligible for the SCCA National Runoffs via the Divisional Path, please refer to the SCCA Runoffs Qualification Criteria posted by SCCA Club Racing for that Runoff's year.

6. Year End SWRRC Awards:

Funding for Year-End Awards: All SWRRC points races will collect \$5 per participating driver/car class for each race where SWRRC points are awarded. The Host Region will forward to the SowDiv treasurer, within 30-days after host region's SWRRC races, a check for the required amount.

7. SWRRC Administration:

The SWRRC program will be under the direction of the SowDiv Executive Steward and the SWRRC Committee. The members of the SWRRC committee will be the Official Race Chairs from each of the racing regions within the Division or as appointed and approved by each racing region that has sanctioned a Southwest Division race event in the previous year.

An additional SWRRC committee At Large Member is to be elected or appointed by the SWRRC committee and will be the SWRRC Committee Chairman. The Executive Steward will vote only if needed as a tie breaking vote. The SWRRC will be responsible for reviewing and updating the SWRRC rules as needed and will coordinate race event scheduling within the Southwest Division.

8. Treasurer:

The SowDiv Treasurer will be the SWRRC Treasurer.

9. Points Keeper:

The SowDiv Points Keeper will be the SWRRC Points Keeper.
