

Member Advisory

DATE: January 8, 2020 **NUMBER:** MA 20-01

FROM: Club Racing Board

TO: Spec Miata Participants

SUBJECT: Hoosier 7.5 Effective Date

To all Spec Miata Racers,

The effective date for implementing the Hoosier SM7.5 is the Buttonwillow Hoosier Super Tour event held on February 21-23, 2020. All races prior to this event will be using the SM7 exclusively. Tires will be available for purchase following the COTA Hoosier Super Tour on February 10.

The GCR has been updated with the following information in section 9.1.7.C.6:

6. Tires

Competitors must use the official Hoosier Dry tire or Wet tire for Regional and Majors competition.

- a. Tires must be used in complete sets. No mixing of wet and dry tires on the car.
- b. *Hoosier P205/50ZR15 SM7.5 allowed after 1-1-2020 for the following event types: Regional Racing, US Majors Tour, Hoosier Super Tour, and Runoffs.*
- c. *Hoosier P205/50ZR15 SM7 allowed until 10-1-2020 for the following event types: Regional Racing, US Majors Tour, and Hoosier Super Tour.*
- d. *Hoosier P205/50ZR15 SM7.5 required after 10-1-2020 for the following event types: US Majors Tour, Hoosier Super Tour, and Runoffs.*
- e. *Hoosier P205/50ZR15 SM7 allowed until 1-1-2022 for SM Regional Racing.*
